

Appleton Select Board
January 22, 2019

1. Convene, 7 p.m. (Gushee, Wyman, Fenner, Beckett, Costigan)
2. Reminder: Meetings are recorded.
3. Beckett: Motion to approve minutes of January 15, 2019. Gushee: Second. 4-0-1/Gushee abstained due to absence.
4. Town Office Key Control Policy: Fenner noted Town of Hope instituted a new key policy and checked with clerks regarding current key distribution. Fenner created draft from editing Hope's policy and suggested possibility of changing security code, as well. Beckett: Motion to approve key control policy. Gushee: Second. Unanimous.
5. Fenner: Motion to nominate Edward Carroll and Fred Bucklin to the Appleton Budget Committee. Costigan: Second. Unanimous. Wyman indicated a few people are considering the CSD board position.
6. Road Commissioner: Approximately 400 yards of sand delivered last week. Commissioner also purchased salt in Searsport. Brushcutting on Collinstown ended Saturday due to weather. Salt marginally effective on days below 0-degrees Fahrenheit. Commissioner has been waiting to apply salt on warmer days. Union Roads cleared sooner, even on cooler days: Beet Juice. Lowers effective melt rate of salt and also decreases corrosive properties. Will move snow banks at bridge, town office and library.
7. Costigan: Phil Carey from the State of Maine Economic and Community Development will be available to assist with review process. Beckett: Tri-County Solid Waste budget meeting takes place this week. Tri-County woodlot of 80+ acres needs a licensed forester to review. Gushee: Consider signage on town forests to limit tire-motorized vehicles with creation of policy for town forest signage and usage. Fenner to draft Town Forest Access Policy.
8. Gushee: Motion to adjourn. Beckett: Second. Unanimous.
